**Responsibility:** A \$150 per session deposit must be made in order to register for each session. This deposit will go toward the total session fee.

- A \$25.00 late fee will be assessed if payment has not been received within a week following each session's due date.
- The deposit is refundable if a session cancellation is made **30 days prior to class start date**.
- If a cancellation is made less than 30 days prior to the class start date, the remaining class fee remains the participants's responsibility and must be paid in full prior to attending another session. **The entire \$150 deposit is NOT refundable.**
- **If a participant chooses to cancel the remainder of the session for non-medical reasons, the remaining class fees remain the participant's responsibility.**
- Deposit exceptions will be made for individuals who are added to the schedule within 30 days of the session start.
- There will be a \$20.00 admin. fee assessed for **refund** checks, when requested.

The full **Session Fee** **must be paid prior to the start of the session.** Please contact the Finance Manager at [finances@wecanride.org](mailto:finances@wecanride.org) prior to the payment due date if you need to make arrangements due to financial hardship. **All credits will expire at the end of the current calendar year. Unless otherwise instructed, credits will be used to support We Can Ride's program operation.**

If the participant is scheduled for more than one session, payment is due only for the immediately upcoming session; payment for the next enrolled session will be due three weeks prior to that session's start date.

**If the session fee is not paid in full by the payment due date, or arrangements have not been made with the Finance Manager by that date, the participant will be removed from class for that session and their spot given to another participant.**
